Benefits of Venngage

Schools can use this tool to create flyers or promotional images for clubs, sports teams, and events. In the classroom, have students use Venngage to display or present information they have learned. Help students focus on principles of good design. They should use concise language, graphics, icons, and charts to tell their story. It is a great way to get students to organize their thinking visually and creatively, to collate learning, and to communicate ideas.
